

WEST TISBURY HISTORIC DISTRICT COMMISSION
MEETING MINUTES

Date of Meeting: March 29, 2021
Meeting at 5:30 PM at Zoom

Attending: Sean Conley, Nancy Dole, Anne Fisher, Josh Gerhard
Absent: Mark Mazer, Charlie Kernick

Meeting began at 5:30 PM.

HDC signed off on 3 Certificates of Non Applicability.

29 Music Street for removal of a dead cedar tree.

19 Music Street for reshingling.

Congregational Church to replace damaged roof shingles and also clapboards on steeple with same materials and colors.

We read correspondence from a town resident questioning decisions the HDC makes when determining whether to allow some vs no latitude when a property is being restored, or renovated. For example how can it be permissible for the HDC to say that an existing house of great historic value cannot be demolished, but then allow the owner to replace the original foundation in the process of restoring the house.

Meeting concluded.

Respectfully submitted,

Nancy Dole, Secretary
